## **GOLF TOURNAMENT 2018**

### **Friday, May 4th at Independence Golf Club**

Shotgun start at 1:00pm! Immediately following golf will be a reception and catered dinner provided by Independence, along with stories from local high school students who have benefited from Young Life in the West End.

Dear Golfer,

Young Life Richmond West End is gearing up for it's annual golf tournament at Independence Golf Club on Friday, May 4th, and we'd like you to participate by playing in the tournament. You can sign up by emailing [westendyl@gmail.com](mailto:westendyl@gmail.com) or by visiting [tinyurl.com/westendgolf](http://tinyurl.com/westendgolf).

Since its beginning in Richmond, Young Life has been faithfully serving the local community by working with adolescents for more than 40 years. During those years, thousands of teenagers have been served. This year, in the Richmond West End community alone, more than 1,000 kids are directly benefiting from Young Life's presence in one of our 7 local clubs. Over 400 kids attended Young Life camp at Rockbridge in December. We are anticipating over 200 campers joining us at camp this summer. Let's keep this mission going and growing!

Little doubt exists that a vital, proven ministry to students is needed. Please consider your part in building up our future generation. We hope to see you at the golf course on May 4th. Please contact the Young Life office with any questions by emailing [westendyl@gmail.com](mailto:westendyl@gmail.com) or calling Tracy Payne at (540) 308-0052.

Sincerely,

Area Director
